

## Church

[Verse 1]

I forgive you for everything  
For all the nights I couldn't sleep  
I forgive you for surfacing  
When I was looking for what I need

[Pre-Chorus]

Now I tell you everything  
Now I know my worth

[Chorus]

It's time to go to church  
It's time to go to church

[Bridge]

Something within places I've been  
Blood running thin, I'm sorry  
Somewhere between Heaven and sin

[Chorus]

It's time to go to church, uh-uh

[Verse 2]

Love forgive me for not listening  
To myself and to my truth  
I forgive you for questioning  
I'm still breathing, that's my proof

[Pre-Chorus]

Now I tell you everything  
Now I know my worth

[Chorus]

It's time to go to church (Shall I go, shall I go, go?)  
It's time to go to church (Will I know, will I know, go?)

[Post-Chorus]

Ooh-ooh  
Aah-aah  
Ooh-ooh  
Aah-aah

[Chorus]

It's time to go to church (Shall I go, shall I go, go?)  
It's time to go to church (Will I know, will I know, go?)  
(Shall I go, shall I go, go?) It's time to go to church  
(Will I know, will I know, go?)

[Outro]

Something within places I've been  
Blood running thin, I'm sorry  
Somewhere between Heaven and sin  
It's time to go to church
