

Bad Girl

[Verse 1]

Alive in the dark and we ride forever
Feeling so high going down together (Down)
Free shots at the bar from the guy in leather
Cheers to the night that we won't remember now

[Pre-Chorus]

Nothing you could do or say is right
I already know just what I like

[Chorus]

Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
We got what they want want, what they want want
They can look but they just can't touch it
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
They're always up to no good
Don't let them wish they could

[Verse 2]

Do it like this all around the clock
Got boys lining up all around the block (Uh-huh)
Lighting up flares in the parking lot
If we're gonna live give it all we got (Uh-huh, uh)

[Pre-Chorus]

Nothing you could do or say is right
I already know just what I like

[Chorus]

Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
We got what they want want, what they want want
They can look but they just can't touch it
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
They're always up to no good
Don't let them wish they could
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
We got what they want want, what they want want
They can look but they just can't touch it
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
They're always up to no good
Don't let them wish they could

[Pre-Chorus]

Nothing you could do or say is right
I already know just what I like

[Chorus]

Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
We got what they want want, what they want want
They can look but they just can't touch it
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
They're always up to no good
Don't let them wish they could
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
We got what they want want, what they want want
They can look but they just can't touch it
Bad girl, need a bad girl, need a bad girl
'Cause the bad boys just don't cut it
They're always up to no good
Don't let them wish they could
